Innovation Award Application vs. Integrate Speaker Abstract: What's the Difference?

South Florida HIMSS currently has two different applications available on our website, one for the Innovation Award, and the other calling for Integrate 2019 Speaker Abstracts. Has anyone been wondering what the difference between the two is? We want to address any questions pertaining to these different submissions with a Special Edition of our newsletter.

INNOVATION AWARD

For the 3rd consecutive year, SFLHIMSS is launching a competition amongst providers that

recognizes healthcare technology innovation in South Florida. The South Florida HIMSS Healthcare Technology Innovation Award looks at the direct correlation between an organization's IT initiative (one specific IT initiative) and accomplishment of a documented organizational objective. Submissions are reviewed by the SFLHIMSS Board and the winner will be announced on September 24th at Integrate 2019.

The criteria are as follows:

- Achieved benefits from the initiative must be quantifiable
- Concept must be transportable and have application to other healthcare organizations
- Must have an executive sponsor supporting the submission
- IT initiative must have a minimum of 6 months of proven results

Only SFLHIMSS Members can apply. If you are not a member, please click [here](#) to join the South Florida HIMSS Chapter

All abstracts MUST be submitted by a provider or a provider accompanied by a vendor. Vendor only abstracts will NOT be accepted.

Deadline: July 31, 2019

Student Scholarship Golf Tournament Wrap-up

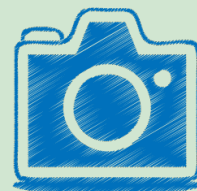

The South Florida Chapter of HIMSS want to express our deepest gratitude for your participation on the SFLHIMSS 7th Annual Student Scholarship Golf Event that took place on Tuesday, June 11th.

The HIMSS Student Scholarship is awarded to a student pursuing a degree from an accredited collegiate undergraduate, graduate, or doctoral academic program. Winning submissions embrace the use of digital health or technology-enabled workflow innovation in support of the HIMSS mission of better health through information and technology.

Our SFLHIMSS Chapter is proud to be one of only 3 chapters throughout the entire nation that offers an annual scholarship to students, and thanks to your support, we raised \$5,400 toward the 2019 SFLHIMSS Student Scholarship while having fun and networking with other HIT Colleagues. Thank you once again for your participation! We'll keep you updated on the student application submissions and next steps!

Looking for an exciting opportunity to help your South Florida community through HIMSS?

The South Florida HIMSS Chapter is looking for volunteers to serve on our brand new Education Committee. The Education Committee is responsible for:

- Develop a chapter education strategy
- Monitor the chapter's educational events to ensure that the topics deemed important by National are addressed by in-live, or webinar based learning.
- Facilitates the creation & scheduling of educational webinars at least quarterly
- Records live event & webinar presentations for posting on the chapter website.
- Work with Program committee to have chapter education events certified for continuing education from HIMSS and other leading national organizations
- Assist members in obtaining advanced member status and/or CPHIMSS/CAHIMSS certifications.

If this interests you, please email vbannon@brrh.com. Once we have our newly appointed Education Committee chair, we will begin to schedule regular committee meetings.

Thank you to our SFLHIMSS Chapter sponsors
